Think About Me

Kid Evo

{verse 1}

Girl Do You Know

Why I Just You To Know

Cause If I Let You Go, Oh Oh OOOOh

The U-Hauls Downstairs

Today's The Big Day, Babe

I've Got One Box Left

Then I'm Ready For The Big Move, Big Move

And I've Been Sittin Here For The Past Hour

Thinking Bout What I'ma Do With It

Cause I Can't Take With Me

Hell, Now That I Think About It

Girl, It's Just Old News, It's Old News

Like Remember That I Told You That I Love You, Darling

I was Thinkin' In My Head

Damn, Maybe It Was Just Too Soon

But You Said I Love You More

And If It's Real

That's How You Know

And Now I'm So Confused

I Didn't Know That You Would Right Up And Go

But

{Chorus}

Baby, Do You Ever Think Bout Me

Cause Lately, Baby, You've Been On My Mind

And I Know That It's Been A Long Time Now

And I See That You're Doing Fine

But, Baby, Do You Ever Think Bout Me

And Tell Me Where Did It All Go Bad

Cause I Swear We Were Once So Perfect

Now These Memories Is All I Have 3x

{Verse 2}

Hello Baby, Hello Baby

Hello My Old Freind, Hello My Old Friend

It's Been A Minute

Since I've Heard You, Darling

Glad That You Were In

Hello Baby, Hello Baby

Hello, Here We Are Again

I Don't Have A Lot Of Time, baby

Tell Me How've You Been

Hold Up, Wait

That Ain't What I Hit Your Line

I Ain't Trying To Waste Time

Thought That We Were Doing Just Fine

Tell Me Why Did We Stop Trying

Lately Its Been On My Mind, Girl

They Would Always Talk About

Baby, It Was Real

No Doubt

Crazy How It All Went South

Don't Know How We Chose This Route

Oh, We Should've Work It out, Work It out 2x

But

{Chorus}

Baby, Do You Ever Think Bout Me

Cause Lately, Baby, You've Been On My Mind

And I Know That It's Been A Long Time Now

And I See That You're Doing Fine

But, Baby, Do You Ever Think Bout Me

And Tell Me Where Did It All Go Bad

Cause I Swear We Were Once So Perfect

Now These Memories Is All I Have 3x
