

You Say

SlickBeats

I keep on wandering.
I keep on wandering if I can.
If I can feel you.
It's not a wish it's a demand.

I want a piece of.
A single piece of your "today".
I live, your dreaming.
I live, your dreaming when...

You say, the world, wasn't built in a day.
I know but I wanna touch you today.
And Heaven's not so far away.
I know, cuz I heard you say.

I keep on falling.
I keep on falling for you.
I won't stop calling.
I won't stop seeking for the truth.

It's not forever.
It's not forever, it's today.
I hear your whisper.
I hear your whisper when...

You say, the world, wasn't built in a day.
I know but I wanna touch you today.
And Heaven's not so far away.
I know, cuz I heard you say.
