

Super Villain

Christina Milian

No other man flies
Who has a cape and tights can see
That ain't my kind of guy
No that ain't my cup of tea
Has hoodies and jeans on swagga so mean
Oh you know what I mean
All though I know that
Bad for my soul
Oh I just cant leave him alone
See the heroes were never my type
I need the boy with the kryptonite tonight
I need a super villain to come and rescue me I'm fading
Cuz nice guys they cant save me
Thats why I need a
Super villain to come and rescue me I'm fading
Cuz bad boys they drivin me crazy
I want a super super bad super bad
Super super bad super super bad super bad super super
I want a super super bad super bad
Super super bad super bad bad

Oh say you can save me from love
But I'd rather wear these chains and handcuffs
His spell I'm under
I ain't no Lowis and Clark I'd rather be Bonnie and Clyde
Cuz I ride or die
All though I know that
Bad for my soul
Oh I just cant leave him alone
I said the good boys just not in my time
I like them boys from the tolo outside
I need a super villain to come and rescue me I'm fading
Cuz nice guys they cant save me
Thats why I need a
Super villain to come and rescue me I'm fading
Cuz bad boys they drivin me crazy
I want a super super bad super bad
Super super bad super super bad super bad super super
I want a super super bad super bad

Super super bad super bad bad
