

Can't Get Over You

Vivian Girls

Now I shouldn't give you one more chance
But my heart just stopped when you asked me to dance
And I know that you hurt me so
But I love you so much I just can't let you go

All my friends say they think I'm crazy
But when I'm with you my mind is hazy

I can't I can't
Can't get over you

Say you love me and you won't tell a lie
But then bright the next day you tell me goodbye
And I know that you hurt my pride
But keep loving me baby just stay by my side

Yeah I know that I'm being dumb
But when I'm with you my heart is thumping

I can't I can't
Can't get over you

So you wanna make time for cheating
Cause I can't stop my heart from beating
Just come on back to me baby
You're so messed up it's making me crazy

I can't I can't
Can't get over you
