Be My Girl

JYJ

Don't wanna hurt nobody*
This is a song for you
Skippin' all the after parties
Girl, I'm goin' home with you
Don't even think about it
You gon feel what we gon' do
Cause we'll be falling in love all night long
Said I know she wanna be mine tonight
She should know that I can please mine for life
And we gonna have a good time, yeah
When I tell you girl it's alright
You gon' be my girlOne look from you girl and it's too hard to get by
But excuse me girl, I been watchin' you
All night' that's right, I'd like to
Take this night over
What I'm tryin' to say is you should be mine
She should be my
Baby, baby
Baby, baby
Baby, baby
She should be my girlWanna make you my somebody
Wanna see this world with you
So hard to find love like this
Chances are far and few
No other one can have you
I want you to myself
My heart is open for you all life long Said I know she wanna be mine tonight
She should know that I can please mine for life
And we gonna have a good time, yeah
When I tell you girl it's alright
You gon be my girlOne look from you girl and it's too hard to get by
But excuse me girl, I been watchin you
All night' that's right, I'd like to
Take this night over
What I'm tryin to say is you should be mine
Gonna get you girl
Get you girl
Get you girl
Get youThen I'm gonna love you girl

Love you girl
You should be mine
Gonna get you girl
Get you girl
Get you girl
Get you
Then I'm gonna love you girl
Love you girl
You gon be my girlOne look from you girl and it's too hard to get by
But excuse me girl, I been watchin you
All night' that's right, I'd like to
Take this night over
What I'm tryin to say is you should be mine
