

Wasting Time (Live in George, WA)

Jack Johnson

Yeah And I'm just a waste of her energy
And she's just wasting my time
Mmmmm
So why don't we get together
And we could waste everything tonight
And we could waste and we could waste it all, tonight
Yeah
And we could waste and we could waste it all
And I don't pretend to know what you know
No no
Now please don't pretend to know what's on my mind
If we already knew everything that everybody knows
We would have nothing to learn tonight
And we would have nothing to show tonight
Oh but everybody thinks
That everybody knows
About everybody else
Nobody knows
Anything about themselves
Cause they're all worried about everybody else
Yeah
Mmmm
Oh
Loves just a waste of our energy yeah
And this life's just a waste of our time
So why don't we get together
We could waste everything tonight
And we could waste and we could waste it all yeah
But everybody thinks
That everybody knows
About everybody else
Now now now nobody knows
Anything about themselves
Cause they're all worried about everybody else yeah
Oh
And we could waste
