

# Out of Rain

Rita Hosking

The well has no water  
The cupboard is bare  
She just put something there and now itâ€™s gone  
A space that stares

The ground is cracked  
The seeds wonâ€™t take  
Theyâ€™re hoping the storms will come before  
It gets too late

Sheâ€™s a runnin  
She is a runnin  
Sheâ€™s runnin out,  
Sheâ€™s runnin out of rain

Her mouth is too dry  
She looks up with hollow eyes  
The only thing she can do is swallow down  
The empty skies

Sheâ€™s a runnin...

Honey, he says  
Iâ€™m gonna get out my drum  
Gonna dance me a prayer until them rain  
Rain clouds come, again

And sheâ€™s a runnin...

---
