

# You Spin Me Right Round

## Phantom Rockers

Yeah I, I gotta know your name  
And I could trace your private number, baby

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
I want some, want some

Well, I set my sights on you  
And I, I've got to have my way now, baby

All I know is that to me  
You look like you're havin' fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round,  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

And I, I got to be your friend now, baby  
And I would like to move in just a little bit closer

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
Watch out, here I come

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round,  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

I want your love

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round,  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round

You spin me right round, baby  
Right round like a record, baby  
Right round, round, round,  
You spin me right round, baby  
Right round like a record, baby  
Right round, round, round
