

# I Belong To You

## Whitney Houston

Hoo hoo baby  
Alright  
Yeah  
In a world when dreams are few  
You've got me baby, I've got you  
You're the one that makes  
Me feel brand new  
Sometimes love can wear you out  
Chill your soul baby, make you doubt  
That you'll never find  
The one that's true  
All of my life I've longed for this  
Someone who makes me happy  
Let's seal this moment with a kiss  
I wanna know and nothin's gonna stop me 'cuz  
I've been to the bottom, now I'm back on top  
When I'm feelin' the rhythm as we start to rock  
When ya get down to it  
I belong to you  
Hey baby  
Though I'm not afraid to let it show  
I'll tell the world, I want everyone to know  
There's nobody does  
Me like you do, boy  
(Like you do, like you do)  
All of my love is yours tonight  
I live to make you happy  
Nothin' has ever felt so right  
I want it all and nothin's gonna stop me 'cuz  
I've been to the bottom, now I'm back on top  
When I'm feelin' the rhythm as we start to rock  
When ya get down to it  
Boy, you know, I belong to you  
When you touch me tender and you reach my soul  
When I start to weaken and I lose control  
When you get down to it  
I belong to you  
To you  
Say that you love me boy and I'll make it right

Hoh yeah  
I'll rock your heart and soul till the morning light  
Boy no  
I will, oh yeah yeah  
You know I belong to you  
And you belong to me  
All of my love is yours tonight  
I live to make you happy  
Nothin' has ever felt so right  
I want it all and nothin's gonna stop me 'cuz  
I've been to the bottom, now I'm back on top  
When I'm feelin' the rhythm as we start to rock  
When ya get down to it  
I belong to you  
I belong to you  
When you touch me tender and you reach my soul  
When I start to weaken and I lose control  
When you get down to it  
I belong to you  
I belong to you, baby  
You belong to me  
I belong to you  
You belong to me  
I belong to you  
You belong to me  
When ya get down to it  
I belong to you  
I belong to you, baby  
You belong to me  
I belong to you  
You belong to me  
I belong to you  
You belong to me, yeah
