Someone

Drain S.T.H.

See yeah set my soul to fly
See yeah Someone has to die
And I feel you
Someone has to die
And I feel you
Someone has to die (Someone has to die)
I know, I know, I know, I know
You know, you know, you know, you know
I'm the one to be
There there can't be two of us in me
And I feel you
Someone has to die
And I feel you
Someone has to die
I know, I know, I know, I know
You know, you know, you know, you know
I know, you know, I know, you know
You know, I know, you know, I know
And I feel you
Someone has to die...
And I feel you
Someone has to die...
Someone has to die...
Someone has to die...
Someone has to die...
Someone has to die...
