

# Someone

## Drain S.T.H.

See yeah set my soul to fly  
See yeah Someone has to die  
And I feel you  
Someone has to die  
And I feel you  
Someone has to die (Someone has to die)  
I know, I know, I know, I know  
You know, you know, you know, you know  
I'm the one to be  
There there can't be two of us in me  
And I feel you  
Someone has to die  
And I feel you  
Someone has to die  
I know, I know, I know, I know  
You know, you know, you know, you know  
I know, you know, I know, you know  
You know, I know, you know, I know  
And I feel you  
Someone has to die...  
And I feel you  
Someone has to die...  
Someone has to die...  
Someone has to die...  
Someone has to die...  
Someone has to die...
