Death Hanging

Susanna

Death hanging over you, death hanging over me
Death hanging over us, to come there's nothing we can be
To prevail, the voice coming in vain
Of death coming into me
There's nothing we can beDeath coming, death coming, coming to me
Death coming, death coming, coming to me
Death coming, death coming, coming to me
Death coming, death coming, coming to me
Death hanging over you, death hanging over me
Death hanging over us, to come there's nothing we can be
To prevail, the voice coming in vain
Of death coming into me
There's nothing we can beTo prevent, before it's coming even
Of death coming to me,
There's nothing we can be
Death coming, death coming, coming to me
Death coming, death coming, coming to me
Death coming, death coming, coming to me
Death coming, death coming, coming to me.
