

The Secret Place

[Phil Wickham](#)

Where will you run, my soul
Where will you go when wells run dry
When the wind starts to blow
How you gonna keep this flame alive In the fading light when night is breaking
I know You will always be waiting
You'll always be there
I'm running to the secret place Where You are, where You are
I sing to You of all the ways
You stole my heart, stole my heart
Better is a moment that I spend with You Than a million other days away
I'm running, I'm running
I'm running to the secret place
You are my only hope
You are the Rock on which I stand You will not let me go
I know that I am safe inside Your hands
In the fading light when night is breaking
I know You will always be waiting
You'll always be there
I'm running to the secret place Where You are, where You are
I sing to You of all the ways
You stole my heart, stole my heart
Better is a moment that I spend with You Than a million other days away
I'm running, I'm running
I'm running to the secret place
Hands are lifted high, hearts awake to life We are satisfied here with You, here with You
Chains will hit the floor, broken lives restored
We couldn't ask for more here with You, here with You
I'm running to the secret place
Where You are, where You are I sing to You of all the ways
You stole my heart, stole my heart
Better is a moment that I spend with You
Than a million other days away
I'm running, I'm running
I'm running to the secret place
