Recover

Micah Tyler

I am here by your grace
Praise you name, Praise you name
and I will not fall away
'Cause you sustain, You sustain
and No more fear and no more shame
I can never be the same
and since you came I am changed
Forever and EverYour love has hit me and I can't Recover
There is no greater hope to be discovered
You overwhelm my heart
With awe and wonder God
Your love has hit me and I can't
I can't Recover
You are here and I am saved
Praise your name, Praise your name
and every step that I take
Lord, you sustain, you sustain
and No more fear and no more shame
I can never be the same
and since you came I am changed
Forever and EverYour love has hit me and I can't Recover
There is no greater hope to be discovered
You overwhelm my heart
With awe and wonder God
Your love has hit me and I can't
I can't Recover
And you took back the days
the grave has stole away
and now my heart is reconciled
Jesus you came for me
changing everything
and no more death
I'm Alive, I'm AliveYou took back the days
the grave has stole away
and now my heart is reconciled
Jesus you came for me
changing everything
and no more death
I'm Alive, I'm Alive

I'm Alive!Your love has hit me and I can't Recover
There is no greater hope to be discovered
You overwhelm my heart
With awe and wonder God
Your love has hit me and I can't
OhYour love has hit me and I can't Recover
There is no greater hope to be discovered
You overwhelm my heart
With awe and wonder God
Your love has hit me and I can't
I can't RecoverI can't Recover
