

# Hey Angel

DIO

How do you feel right now  
How does it feel to be alone  
How do you feel right now  
Tell me Hey angel - what's your situation  
Hey angel - oh, oh Where would you be right now  
Waiting to taste your next tomorrow  
Where would you be right now  
Tell me Was the pain too strong to take it anymore  
So you turned off all the lights and shut the door Hey angel - what's your destination  
Hey angel  
Hey angel - we got a complication  
Hey angel - oh, oh - you're my angel, my angel How do you feel right now  
How does it feel to be alone, oh  
How do you feel right now  
How do you feel right now Oh angel - you're my angel, oh my angel,...
