Swimming In Your Ocean

Crash Test Dummies

When I'm sampling from your bosom
Sometimes I suffer from distractions like
Why does God cause things like tornadoes and train wrecks?
When I'm swimming in
When I'm swimming in your ocean
Floating aloft on creams
And scented lotions
I can get pretty side-tracked
I hope you'll understand
When I kneel before you bounty
Sometimes I wonder if there could be really
UFO's that come from other planets
When I'm swimming in
When I'm swimming in your ocean
Floating aloft on creams
And scented lotions
I can get pretty side-tracked
I hope you'll understand
And when you let me taste your fingers
I take them like fruit and as I linger
I wonder if my seed will find purchase in your soil
When I'm swimming in
When I'm swimming in your ocean
Floating aloft on creams
And scented lotions
I can get pretty side-tracked
I hope you'll understand
I can get pretty side-tracked
I hope you'll understand
