Relax (Take It Easy)

Lilister

Took a ride to the end of the line
Where no one ever goes
Ended up on a broken train with nobody I knowBut the pain and the longing's the same
Where the dying
Now Im lost and Im screaming for helpRelax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on youIts as if Im scared
Its as if Im terrified
Its as if I scared
Its as if Im playing with fireScared
Its as if Im terrified
Are you scared?
Are we playing with fire?
RelaxThere is an answer to the darkest times
Its clear we dont understand but the last thing on my mind
Is to leave you
I believe that were in this together
Dont scream, there are so many roads leftRelax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on youRelax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on youRelax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on youRelax, take it easy
For there is nothing that we can do
Relax, take it easy
Blame it on me or blame it on youIts as if Im scared
Its as if Im terrified
Its as if I scared
Its as if Im playing with fireScared
(Relax)
Its as if Im terrified
Are you scared?
Are we playing with fire?Relax
