

# Double E

## Neil Young

Back in the country  
Livin' on the double e  
In the sunshine of her life  
There's a ready young filly  
And mom and daddy  
Won't let her leave  
Mom and papa won't let her go But when they go out dancin'  
She breaks out on her own  
She's hot enough to  
Burn the house down  
And mom and daddy don't know When edith and earl  
Renamed the double e  
They nearly made history  
The neighbors rose up  
And some of them were mad as hell  
'cause it used to be the double L Change comes slow in the country  
When you're new  
There's a lot of distrust  
Years pass by uneventful,  
And memories turn to dust Meanwhile granny  
Has got her bright colors on  
The sunshine in her eyes  
Cruisin' by the bars  
And honky tonks where she met grandpa  
And caught that young man's eye Dusty white eldorado  
Cruisin' through the trees  
Slippin' through the shadows  
Of what used to be Back in the day  
Livin' in the summer of love  
Livin' in the summer of love Grandma's ok  
But not the same since grandpa's gone  
She's livin' in the summer of love Back in the day  
Livin' in the summer of love  
Livin' in the summer of love Livin' in the summer of love Livin' in the summer of  
love
