

# Right On You

## Night Ranger

I was drinkin' in the parking lot  
Outside where you're workin'  
I was looking for your man  
I was waiting for your man  
I don't know what you've been thinking about  
But I've been mistreated  
And I'm looking for your man  
Yes, I'm waiting for your man  
Oh, I ain't afraid of your Johnny come lately  
Count on me bringin' him down  
I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now  
Me and Jackie, we were checking it out  
'Bout your hard luck story  
And I heard it all before  
And I ain't gonna pay no more  
If you're thinking that I'm your fool  
Well then, you better listen  
I ain't takin' no more lies  
I ain't takin' no more lies  
I left you alone standin' at that door  
I can't hear you knockin' no more  
I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now  
I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now  
Oh look out baby  
'Cause here I come to get ya  
Hey, come on back  
I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now

I can hear the news comin'  
I can feel the heat fallin'  
Right on you now  
Right on you now, take 'em all  
Right on you now  
Right on you now  
Right on you now  
Right on you now
