If You Only Knew

Kathryn Calder

I wake up thoughts of you tattooed to my mind
As I wonder what to wear, what to eat, who to be
Will I see you again? And as my car breaks down
I shake my head and say, "What a day??
If you only knew
What I went through just to get to you
I'm hanging from you
And I'll hold on if you want me to
Every bus, every train
Ever cab, every lane is jammed
So I look to the sky
And I reach for the planes with my hands
If all my days go wrong
I'll think about last night
It went right
If you only knew
What I went through just to get to you
I'm hanging from you
And I'll hold on if you want me to
If you only knew
What I went through just to get to you
I'm swinging from you
And there's nothing I would rather do
