

Run to Me

Shola Ama

Sure as the sun will shine
I need you in my life
You are the only one
Run to meBright as the deep blue sky
You are the light of my life
You are the only one
Run to meYou are the one for me
I need you to know you're my everything
For me there is nobody else
I love you so baby
Run to meWhen summer warms I hear your call
You hold the key to what I'm living for
Baby run to me
Baby run to meWhen autumn falls I need you more
I still ain't found what I'm looking for
You are the only one
Run to meWhen it is cold outside
You are the sun inside
You are the one for me
Run to meUmmmm yeahSo many tears I've cried
You gave me back my pride
You are my joy each day
Run to meYou are the one for me
I need you to know you're my everything
For me there's nobody else
I love you so babyRun to meWhen summer warms I hear your call
You hold the key to what I'm living for
Baby run to me
Baby run to meWhen autumn falls I need you more
I still ain't found what I'm looking for
Baby run to me
HoooooooI need you now
It's now or never
Baby be sure
Until the end I'll be your friend
Forever moreWhen summer warms I hear your call
You hold the key to what I'm living for
Baby yeah run to me
You'd better run run run to meWhen autumn falls I need you more

I need you more
I still ain't found what I'm looking for
You are the only one
Run to me
Run baby won't you run
