

# Oh Baby I (Nigel Lowis Remix)

## Eternal

I feel the touch of your hand  
And I understand how much I need your love  
You have given me wings  
And I can do things I've never dreamed of  
And I promise for as long as we're together  
I will cherish this everlasting love Oh baby, I need you so, you know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are, no matter how near or far  
And I wanna be the only one who can open the door to your heart Oh baby I, baby I, baby I  
Oh baby I, baby I, oh baby I All your secrets I'll keep, they're safe here with me  
And my arms will comfort you  
There'll be no river too wide, no mountain too high  
My heart will follow you  
I'll go anywhere for as long as we're together  
I will cherish this everlasting love Oh baby, I need you so, you know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are, no matter how near or far  
And I wanna be the only one who can open the door to your heart Oh baby I, baby I, baby I  
Oh baby I, baby I, oh, oh There may be times some rain will fall  
But I won't mind it if you're here with me  
Oh, we'll get by and through it all  
We'll have all of the love that we need, oh baby Oh, oh baby, oh, my darling  
I'll go anywhere for as long as we're together  
I will cherish this everlasting love Oh baby, I need you so, you know that I can't let go  
Always and forever I just want you to know  
I wanna be where you are, no matter how near or far  
And I wanna be the only one who can open the door Oh baby, I need you so, together our love will go  
Always and forever I just want you to know  
I wanna be where you are, no matter how near or far  
And I wanna be the only one who can open the door to your heart I wanna be the one, oh baby, I  
I wanna be the one, oh baby, I  
Baby, let me be the one, oh baby, I I wanna be the one, oh baby, I  
Baby, let me be the one, oh baby, I  
I wanna be the one, oh baby, I  
Baby, let me be the one, oh baby, I
