Staircase

Radiohead

I walk down the staircase.
A magnetic pull
Back to the other place
Where I cannot goI'm sittin' in a chopper
To steal you awayThe pot is full
Let me take control
Let me take controlThe pot is full
of secrets to be told
Secrets to be toldand I'll always...
I always willThe pot is full
let me take control
let me take controlThe pot is full
of secrets to be told
Secrets to be told
