We Two Are One

Eurythmics

Don't you worry
If you're lonely, baby
I'm at your door
Put your trouble
Down upon me, baby
That's what I'm for
People like us
Are too messed up
To live in solitude, yeah
I'm gonna cure
That problem, baby
I'm gonna fix it good
Ooh yeah, yeah
We two are one
Yeah, hey, yeah, hey
We two are one
Don't you know
I really love you, baby?
And that is sure
All the groovy things
About you, baby
Make me feel secure
And people like us
Are strong enough
To hold ourselves together
Keep the sky

From fallin' down, yeah
We're gonna live forever
We two are one
Yeah, hey, yeah, yeah
We two are one
Put your lovin' arms
Around me, baby
And hold me tight
Give it everything
You've got now, baby
We'll get it right
People like us

Are too messed up
To live in solitude, yeah
I'm gonna cure
That problem, baby
I'm gonna fix it good, ooh yeah
We two are one
We two are one
We two are one
We two are one
I love you, I love you, I love you
I really love you, I really love you
We two are, we two are, we two are
We two are, we two are
