

# Never Make A Promise

Dru Hill

I don't have to think about  
I never been loved  
Well, I only dreamed about  
I wondered what it was But now I think I know  
It's clear to me  
You made me understand  
I'm so proud to say I love you  
I'm so proud to be your man, yes I am I promise I'll never hurt you  
I'll never make you cry, no  
I promise I'll never hit you  
Cross my heart and hope to die 'Cause I know I'll keep you safe  
I'll keep you warm  
I'll keep you satisfied  
I'll be your sunshine in the morning  
Be your everything at night You told me what you wanted  
I gave you what you need  
I told you that I love you  
Make it good for you and me  
And I never make a promise  
That I can't keep  
That ain't me You told me what you wanted  
I gave you what you need  
I told you that I love you  
Make it good for you and me  
And I never make a promise  
That I can't keep  
That ain't me Ain't no way to get around it  
Now you're stuck with me, baby, baby  
Did you know that you'd be surrounded  
By my love and ecstasy This is the start of one great love affair  
That's never ever never gonna end  
We can share the world together  
Oh, this is where it begun Oh, girl I'll stand by you  
If you give me your hand  
I'll make love to you baby  
Your every wish is my command Let's play out your fantasies  
oh, I can lose your mind  
Take you places you ain't never been before  
I promise you it's alright You told me what you wanted

I gave you what you need  
I told you that I love you  
Make it good for you and me  
And I never make a promise  
That I can't keep  
That ain't me You told me what you wanted  
I gave you what you need  
I told you that I love you  
Make it good for you and me  
And I never make a promise  
That I can't keep  
That ain't me If I make a promise to you  
Then baby that's what I'll do  
I have nothing to lose  
I give my whole world to you (I'll never make a promise that I can't keep)  
I'm a man of my word  
For you I'm always concerned  
That you'll never be hurt It's for better or worse  
(I'll never make a promise that I can't keep)
