

# You Can Run

## A Flock of Seagulls

What's this I see? You're tryin' to hide  
    Away from me, away from me  
    Don't you know that you can run  
But you can't hide awayNo, you won't find your peace of mind  
    Away from me, away from me  
    And in your mind you will not find  
Your peace of mind todayYou can run  
    (No, you can't run)  
    You can hide  
    (No, you can't hide)  
    You can run  
    (No, you can't run)  
You can hide awayYou're part of me, I'm part of you  
    What can we do? What can we do?  
    I am your sin living within  
It's up to you what can we do?The more you run, the more you hide  
    Me down inside your head  
    The more they see the you in me  
The more your life is deadYou can run  
    (No, you can't run)  
    You can hide  
    (No, you can't hide)  
    You can run  
    (No, you can't run)  
You can hide awayWhat's this I see? You're try'n' to hide  
    Away from me, away from me  
    Don't you know that you can run  
    But you can't hide away
