

Decision / Indecision

Atomic Rooster

I don't know what went wrong, I just can't find the reason.
I thought the game was won, but facts can be deceiving.
So I'm going to find the way, to become what I am.
I'm going to find the way, back home. I don't know how I lost the secret I was holding.
Like far beneath the flood, it has been crushed and broken.
So I'm going to find the way, to become what I am.
I'm going to find the way, back home.
I'm going to find the way, to become what I am.
I'm going to find the way, back home. I don't know what went wrong, I just can't find the reason.
I thought the game was won, but facts can be deceiving.
So I'm going to find the way, to become what I am.
I'm going to find the way, back home. I'm going to find the way, to become what I am.
I'm going to find the way, back home.
