Pray for Me

Lethal

I shivered and listened
To a cold night's warning
I've never walked closer
To the edge of the dawningEvery step that I take
Could carry me homeward
They used to pray for me
They knew I was fallingI'll wash away my sorrows
Down by the river
Put my face in the cold windWon't you pray?
Oh, won't you pray for me?
I have fallen
Won't you pray for me?His violent whispers
Were trying to take me
They knew that I would go
And now they forsake meI'll wash away my sorrows
Down by the river
Put my face in the cold windWon't you pray?
Oh, won't you pray for me?
I have fallen
Won't you pray for me?
