Personal Thunder

Will Young

Everything I own,
Everything I give,
Nothing to say,
Oh I didn't mean it
Why'd I wanna say it again?
I didn't say it again

It's always the way
That I assume everything,
Now I wear a different hat
Every morning as I get up
And say it to myself
Who will you beat on today?

Do you feel like
Do you feel like waiting on
Is it right or is it wrong?

I'm falling these days
My personal thunder
It's tripping me down
Locked in a cage
But I won't surrender

It's been at least an hour
And I'm out already
Pacing the room
Turn on my heels
Won't look in the mirror anymore
Look at my face anymore

Smelling the fresh air
And it's blow, blowing in my face
On the street my hair is free
It's the first time that I can truly breath
The first time that I can truly breath

I'm falling these days
My personal thunder
It's tripping me down

Locked in a cage
But I won't surrender

I'm falling these days
My personal thunder
It's tripping me down
Locked in a cage
But I won't surrender

And I don't think that I can find any answers
To these questions
In my way
I would choose a face that works for me
All of the time
All of the time

Time now down

I'm falling these days
My personal thunder
It's tripping me down
Locked in a cage
But I won't surrender

I'm falling these days
My personal thunder
It's tripping me down
Locked in a cage
But I won't surrender
I won't surrender
I won't surrender
I won't surrender
