Dancing In Berlin

Berlin

Stop, now let's go again
Go, don't stop again
No, I don't want to be alone
Yes, it's a time for fun
Dance, till the night is done
Look, it's a motion picture show
Dancing in Berlin
Dancing in Berlin
Dancing in Berlin
Dancing in Berlin
I wanna see you
East, such a mystery
West, open history
You, just a moment flashing by
One, there's no time for this
Two, grant me just one wish
Please, there's no wall in front of you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna be with you
Dancing in Berlin
You and me, boy
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna be with you
Dancing in Berlin
I wanna be with you
Dancing in Berlin
I wanna, wanna see you
Dancing in Berlin and
On the floor all night
Dancing in Berlin and
On the floor all night
Dancing in Berlin
I wanna see you

Dancing in Berlin
I wanna be with you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna see you
Dancing in Berlin
With you and me, boy
Dancing in Berlin
I wanna be with you
Dancing in Berlin
I wanna see you
Dancing in Berlin
I wanna see you
Dancing in Berlin
You and me, boy
Dancing in Berlin
I wanna be with you
Dancing in Berlin
I wanna be with you
Dancing in Berlin
I gotta, I gotta
Dancing in Berlin
I wanna you
Dancing in Berlin
I wanna be with you
