

# No Invitation

## Peter and the Test Tube Babies

Heard there's a party in the town, so I've got me beer and Merrydown.  
Got me bottles and me cans, gotta get in if I can.No invitation, but it don't stop me,  
No invitation, gatecrash yer party,  
No invitation, but it don't stop me.Though I don't know no-one here, i'll still take yer food and drugs and beer.  
And as I don't live here I don't care, if I start to throw-up everywhere.Gonna screw a bird in yer bog, gonna be  
sick as a dog.  
Gonna crash out in yer bed 'cos I'm gonna be pissed outta me head.
