At This Particular Moment in Time

PlayRadioPlay!

From up high, you look so lonely and
When I talk to you alone you'll think
That guy he's the pick of the crop
And when you think about me your heart will stopSo check the big times that got the heart of a robot
Like the big guys and the bodybuildin' muscle men
And I can see why you'd pick them over me
They all got big truck, big subs and I'm not 18
Cos I'm not 18, yeahIn 4 months I'll be one year away
But thats far too long to wait, I'm afraid
So go to the dirt bike track, pick you out a man
They might be ridin all the time
But atleast they have a career planSo check the big times that got the heart of a robot
Like the big guys and the bodybuildin' muscle men
And I can see why you'd pick them over me
They all got big truck, big subs and I'm not 18
Cos I'm not 18In 4 months you'll be in college far away
And that's all I have to say
You'll be in college far away
And that's all I have to saySo check the big times that got the heart of a robot
Like the big guys and the bodybuildin' muscle men
And I can see why you'd pick them over me
They all got big truck, big subs and I'm not 18
Cos I'm not 18, yeah, cos I'm not 18, cos I'm not 18, yeah oh
