

# Cherry Lips (Alexander-F Plays It Techno Remix)

## Garbage

She gave you everything she had  
But she was young and dumb  
She'd just turned twenty-one  
She didn't care to hang around  
So when the shit came down  
Why she was nowhere to be found  
This life can turn a good girl bad  
She was the sweetest thing  
That you had ever seen You're such a delicate boy  
In the hysterical realm  
Of an emotional landside  
In physical terms With your cherry lips and golden curls  
You could make grown men gasp  
When you'd go walking past them  
In your hot pants and high heels  
They could not believe  
That such a body was real  
It seemed like rainbows would appear  
Whenever you come near the clouds would disappear  
Because you looked just like a girl  
Your baby blues would flash  
And suddenly a spell was cast You're such a delicate boy  
In the hysterical realm  
Of an emotional landside  
In physical terms You hold a candle in your heart  
You shine the light in hidden parts  
You make the whole world wanna dance  
You bought yourself a second chance Go baby go go  
We're right behind you  
Go baby go go  
Yeah we're right behind you  
Go baby go go  
Aw baby we're right behind you  
Go baby  
Go baby  
Yeah we're lookin at you  
Go
