

# Some Enchanted Evening

**Barbra Streisand**

Some enchanted evening, you may see a stranger  
You may see a stranger across a crowded room  
An' somehow you know, you know even then  
That somewhere you'll see her again and again  
Some enchanted evening, someone may be laughing  
You may hear her laughing across a crowded room  
An' night after night as strange as it seems  
The sound of her laughter will sing in your dreams  
Who can explain it, who can tell you why  
Fools give you reasons, wise men never try  
Some enchanted evening, when you find your true love  
When you hear her call you across a crowded room  
Then fly to her side and make her your own  
Or all thru your life you may dream all alone  
Once you have found her  
Never let her go  
Once you have found her  
Never let her go
