

# JAPANESE GIRL

## BEAT CRUSADERS

I've never felt alone  
in a city so busy  
Baby when you give it to me  
Girl you look so pretty I hope you never leave me  
and I promise to stay  
but if you say it back  
I won't believe you anyway You move so fast  
In the sac it comes quick  
By the end of the night  
It's you I'm gunna pick Don't say you love me  
Cause you sound so fake  
I see that you're my mistake My little Japanese girl  
My Tokyo baby  
My little Japanese girl  
You drive me crazy I can't understand a single word you say  
But until the morning it's here we'll lay I know I sound crazy  
but with you I feel sane  
Deep in my heart  
I know you're so vain You move so fast  
In the sac it comes quick  
By the end of the night  
It's you I'm gunna pick It's your body  
To me you'll give  
So come on let's live My little Japanese girl  
My Tokyo baby  
My little Japanese girl  
You drive me crazy Baby baby  
Bend on it with your lips now  
and shake it off  
show me with your hips now  
(x2) My little Japanese girl  
My Tokyo baby  
My little Japanese girl  
You drive me crazy  
(x2) Oh ooo oh oh  
Oh oh ooo oh oh  
(x8)
