

Cold, Cold Heart

[Ray Price](#)

I tried so hard my dear to show that you're my every dream.
Yet you're afraid each thing I do is just some evil scheme
A memory from your lonesome past keeps us so far apart
Why cant I free your doubtful mind and melt your cold cold heart
Another love before my time made your heart
sad and blue
And so my heart is paying now for things I didn't do
In anger unkind words are said that make the teardrops start
Why cant I free your doubtful mind, and melt your cold cold heart
You'll never know how much it hurts to see
you sat and cry
You know you need and want my love yet you're afraid to try
Why do you run and hide from lies, to try it just ain't smart
Why cant I free your doubtful mind and melt your cold cold heart
There was a time when I believed that you
belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you, the more we drift apart
Why cant I free your doubtful mind and melt your cold cold heart
