Cold, Cold Heart

Ray Price

I tried so hard my dear to show that you're my every dream.

Yet you're afraid each thing I do is just some evil scheme

A memory from your lonesome past keeps us so far apart

Why cant I free your doubtful mind and melt your cold cold heartAnother love before my time made your heart sad and blue

And so my heart is paying now for things I didn't do

In anger unkind words are said that make the teardrops start

Why cant I free your doubtful mind, and melt your cold cold heartYou'll never know how much it hurts to see you sat and cry

You know you need and want my love yet you're afraid to try

Why do you run and hide from lies, to try it just ain't smart

Why cant I free your doubtful mind and melt your cold cold heartThere was a time when I believed that you belonged to me

But now I know your heart is shackled to a memory

The more I learn to care for you, the more we drift apart

Why cant I free your doubtful mind and melt your cold cold heart
