Thatâ€™s My Girl

Fifth Harmony

And we play our favorite songs
And we scream out all night long
Like ooh oh
When it's just me and my girlsAll the lights, turn them off
It's too loud in here to talk
I don't understand a word you sayGotta sleep but instead
Karaoke on the bed
Taking duck face selfies right and leftWe get crazy with it, we get stupid with it
We don't care if people stare
And when we wobble with itWe get diva on it
We get queen bee on it yeah
We get Britney, Demi, One Direction, Bieber on itAnd we play our favorite songs
And we scream out all night long
Like ooh oh
When it's just me and my girls
And we dance like no one's watching
We crack up, booty poppin'
Like ooh oh
When it's just me and my girls
Watch me now
Me and my girls, me, me and my girls
Me and my girls, pop pop pop it pop it
Me and my girls, me, me and my girls
Me and my girls, pop pop pop it pop itMy voice is gone, got my favorite PJ's on
Times like this don't always come along
You're all I need, there's nowhere I'd rather be
Then to have you crazy freaks with meWe get crazy with it, we get stupid with it
We don't care if people stare
And when we wobble with itWe get diva on it
We get queen bee on it yeah
We get Britney, Demi, One Direction, Bieber on itAnd we play our favorite songs
And we scream out all night long
Like ooh oh
When it's just me and my girls
And we dance like no one's watching
We crack up, booty poppin'
Like ooh oh
When it's just me and my girls
Watch me now

Me and my girls, me, me and my girls
Me and my girls, pop pop pop it pop it
Me and my girls, me, me and my girls
Me and my girls, pop pop pop it pop itBreak it down
Now break it down
Now break it down
Now break it downBreak it down
Now break it down
Now break it down
Now break it downAnd we play our favorite songs
And we scream out all night long
Like ooh oh
When it's just me and my girls
And we dance like no one's watching
We crack up, booty poppin'
Like ooh oh
When it's just me and my girls
Watch me now.
