

# Lost in California

[James Yuill](#)

Star in the sky, it will never lead you anywhere this time  
Deeper and deeper and deeper and deeper you go  
All of the time you were stoWping for lights in the road  
Stay where you are, face the dawn  
You are the strangest man lost in CaliforniaThe, a mystery,  
It will lead you anywhere but never free  
Stay where you are, face the dawn  
You are the strangest man lost in California  
Lost in California  
Oh it's fine cause you never know, never know where to turn  
Lost in California  
Oh it's fine cause you never know, never know where to turn  
There is nothing wise, when you are enabled to recognize  
Stay where you are, face the dawn  
You are the strangest man lost in California
