

Sand and Sea

Frank Sinatra

Sand and sea, sea and sand
And the warm bright sun, up there, above
Summer days, happy days
With my love Sand and sea, sea and sand
Hear the wings in flight of the lovely dove
Summer nights, happy nights
We were makin' love The blinking stars are dancing on the whitecaps
Crazy stars, they've had too many nightcaps
I touch your hand, the hand that lies beside me
Paradise can't be far if you'll guide me Sand and sea, sea and sand
And the angels sing from above
Happy days, hey, happy nights
Makin' love Sand and sea, sea and sand
And the angels sing from above
Happy days, happy nights
Makin' love We're in love
Ooh, ooh, makin' love
