Minority

Bill Evans

I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minorityI pledge allegiance to the underworld
One nation under dog there of which I stand alone
A face in the crowd unsung, against the mold
Without a doubt singled out the only way I know'Cause I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minorityStepped out of the line
Like a sheep runs from the herd
Marching out of time
To my lovve beat now the only way I knowOne light, one mind, flashing in the dark
Blinded by the silence of a thousand broken hearts
For crying out loud she screamed onto me
A free for all, fuck 'em all, you are at your own sight'Cause I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minorityOne light, one mind, flashing in the dark
Blinded by the silence of a thousand broken hearts
For crying out loud she screamed onto me
A free for all, fuck 'em all, you are at your own sight'Cause I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minorityThe minority
The minority
The minority
I want to be the minority
