

# Gas Chamber

## Grandma

Gas chamber  
Where's the light?  
Stay at home  
Don't feel right I'm in my room  
All the time  
Trapped inside  
This twisted mind Gas chamber  
Cannot breathe  
Time for lunch  
Cannot leave I'm in my room  
All the time  
I'm trapped inside  
This fucking mind No action, no, no  
No action  
Gas chamber  
No, no action
