

Everything About You (Remix)

Steve Poltz

I love everything about you
I love the way you comb your hair
And I love the way you sachet in the room
Your perfume lingers in the air I love everything about you
Oh about you
Mmmmm I love the way you lick your lips, dear
You got fireworks in your head
And I love the way you bring me water
When I'm thirsty in your bed I love everything about you
Oh about you
Mmmmm You were surely kissed by angels
Look at the freckles on your face
You got the devil in your eyes
You disappear without a trail I love sneaking up behind you
When you're looking in the mirror
The way your eyes lock into mine, dear
Without guilt and without fear I love everything about you
Oh about you
Mmmmm
