

# Grenade Jumper

## Fall Out Boy

My heart ticks in beat with  
These kids that I grew up with  
Living like life's going out of style  
And you came to watch us play  
Like a big shot talent  
But at the end of the day you know  
Where we came from and where we call homeHey Chris, you were our only friend  
And I know this is belated, we love you backThey'll say it's not worth  
So we'll leave this town in ruins  
Living like life's going out of style  
And you came to watch us play  
Like a big shot talent  
But at the end of the day you know  
These busted lips we take back homeHey Chris, you were our only friend  
And I know this is belated, we love you back
