

Fly Me to the Moon

Tony Bennett

Poets often use many words
To say a simple thing
It takes thought and time and rhyme
To make poet sing
With music and words I've been playing
For you I have written a song
To be sure that you know what I'm saying
I'll translate as I go along

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a Jupiter and Mars
In other words, hold my hand
In other words, darling, kiss me

Fill my heart with song
And let me sing forever more
You are all i long for
All i worship and adore
In other words, please be true
In other words, i love true
