

# Make it Easier

**Devendra Banhart**

To lose the love I've had  
Lose the love I've had  
Make it easier on me  
Easier on me Said, it's cold outside  
Well, it's cold outside  
It's so cold outside  
Yes, It's cold outside We should come inside  
(Cause it's cold outside)  
We should come inside  
(Cause it's cold outside) Said, it's cold outside  
(Yeah, it's cold outside)  
Yeah, it's cold outside  
(Yeah, it's cold outside)
