

# True Love

[George Harrison](#)

You give to me then I give to you  
True love, it's a true love  
And on and on, it will always be  
True love, true love For you and I have a guardian angel  
On high with nothing to do But to give to me and to give to you  
A love forever true  
It's a love forever true True love, it's a true love  
True love, true love For you and I have a guardian angel  
On high with nothing to do But to give to me and to give to you  
A love forever true  
A love forever true  
It's a love forever true
