

Love Is Like A Violin

Barclay James Harvest

Love was like a violin
Playing soft and low
In your heart you held the strings
In my heart the bow Together we made soft sweet music
Together we believed
In every day in every hour
Our love was everything You were like a mountain stream
Flowing fast and free
You were like the autumn leaves
Blowing from my tree Together we made soft sweet music
Together we believed
In every day in every hour
Our love was everything, everything First dance you were mine
First dance we made it
Last dance, last chance
You know I know you were wrong
You know you were wrong
You know for every feeling there's a song After all the leaves had gone
You were winter snow
You were so cold and far away
I had to let you go Together we made soft sweet music
Together we believed
In every day in every hour
Our love was everything, everything First dance you were mine
First dance we made it
Last dance, last chance
You know I know First dance you were mine
First dance we made it
Last dance, last chance
You know I know you were wrong
You know you were wrong
You know for every feeling there's a song
