

Something to Believe In

Young the Giant

[Verse 1]

It gets old when you talk to the sun
And your tongue understood uh-no one
Can it be that I hear what he's saying?

Is there a reason why I'm still awake?[Pre-Chorus]

And he says, "I've got you written in a black book by the railroad track. You see, I know your fate."

(Ooh)

And I said, "you've got to listen, I'm a songbird with a brand new track. You underestimate."[Chorus]

I'll give you something to believe in
Put out the basement full of demons
Realize you're a slave to your mind, break free
Now give me something to believe in
Just give me...

Just give me something to believe in[Verse 2]

Everyday when I speak to the moon
Pale as a ghost in the afternoon
Tragedy has a hold of my mind

But I can see the light between the lines[Pre-Chorus]

And I said, "you've got to listen, I'm a songbird with a brand new track. You underestimate."[Chorus]

I'll give you something to believe in
Put out the basement full of demons
Realize you're a slave to your mind, break free
Now give me something to believe in[Bridge]

Promise me

Sour flame

I'm a slave to my mind

You give me something to believe in[Pre-Chorus]

"I've got you written in a black book by the railroad track. You see, I know your fate."

(Ooh)

And I said, "you've got to listen, I'm a songbird with a brand new track. You underestimate."[Chorus]

I'll give you something to believe in
Put out the basement full of demons
Realize you're a slave to your mind, break free
Just give me something to believe in
Just give me...

Just give me something to believe in
