Chasing Shadows

Stratovarius

I have been sailing across the oceans
Flying across the blue sky
Without never finding the answer
The answer to the question why
Just when you think you reach it, it's goneChasing shadows, chasing shadows
Chasing shadows, all your lifeHarder you try to fix things in your life
Faster you know it's in vain
Searching for loving from strangest places
Nothing is left but the painChasing shadows, chasing shadows
Chasing shadows, all your life
